

# A STORM IS COMING

King Ahab

The “swamp” in darkness

Then immediately Zedekiah ran up to Micaiah and slapped him in the face: "Which way did the spirit of the Lord go when he went from me to speak to you?" he asked. Micaiah responded back by saying: "You will find out on the day you go and hide in an inner room." [1 Kings 22:13-28]

The vision and prophetic word were given to me yesterday **11-25-2018** (Sunday) at GOZ. It was not shared with the congregation, so as instructed, I am writing it down with a time stamp.

## **The Vision:**

Looking down I saw two Kings with many soldiers and advisors standing around them. The Lord told me one was good (Jehoshaphat) and the other was evil (Ahab). Although divided in two, they were from the same stock (tree), spoke the same language and were “brothers” – not actual but in commonality. The focus of the vision was on the evil King.

Before the evil King there were prophets, soothsayers, magicians, etc. giving encouraging words to the King of going to war and defeating his enemies. One prophet even fashioned iron horns and performed a “prophet act” of holding up and pushing around the horns in different directions saying, “...this is what the Lord says: ‘With these you will gore the Arameans until they are destroyed.’” All the other advisors were saying the same thing. After listening for a few minutes to all that they were “prophesying” the Lord said, “they are all false prophets of Baal and are giving false proclamations in His name.”

In the next scene, in disguise as a regular warrior, the Lord showed me the evil King was shot with an arrow and died hours later. The good King was spared and returned to his castle unharmed. The Lord said He would speak of these comparisons prophetically so that those that ears to hear would hear and those that do not would not hear.

The vision ended.

---

Holy Spirit told me to face the camera and say these words directly to the President of the United States: **A storm is coming Mr. President**; NOW is the time. I have “appointed” you for such a time as this.

To My ruling government on the earth – **a storm is coming**. NOW is the time, for such a time as this you have been chosen by the Lord your God.

Hear the word of the Lord:

---

### **Prophecy:**

“As the prophets of old prophesied of peace and prosperity there will be neither while evil seeks to destroy MY Covenant nation. Do you think your evil strategies, corruption and worship of Baal is hidden from the Most High God? I see all, I know all and I will bring your evil plans against My “appointed one” into the light of day and destroy them as straw before My consuming fire. Have I not the power to remove evil leaders from their exalted positions – I am the Lord God and I change not. As tyrants you have ignored My warnings, so as in the past, I will now demonstrate My verdict in your sight. Weep and howl for judgment has been decreed from My Throne saith the Lord.”

“As during the days of Cyrus and Nehemiah, schemes to delay my plans and resist my work will fail you. Breaches in my covenant nation will be restored, My wall will be rebuilt and My Temple will witness a greater Glory than it has ever seen. I am awakening My remnant and will provide wisdom, knowledge and revelation of Her Power and Authority. No longer will it be said that the ‘works of My Kingdom’ are no longer performed in My House. I AM breathing fresh anointing on dry bones and hopeless hearts – no longer will you say the ‘Lord delays His promises’ – My Ekklesia will decree and declare My Word and quickly see a new scepter in your hand – it is time to Rule and Reign saith the Lord of Host.”

[the vision and prophetic word is now time stamped]

**I believe this will be the last vision and/or prophecy to write to my honored and loved Apostle and Prophet that Holy Spirit brought my family into alignment with. I’ll continue to journal these as over the years, and if the Lord makes a way, tape/broadcast some via social media and distribute thought multiple public and private networks reaching upward to a million registered evangelical voters. Likely millions more if distributed through CUFI and others.**

While this is not of the Lord, as a prophetic seer, I wanted to give my thoughts on what I felt during the vision and prophetic word. Again, when I give prophecies there are only a few words I receive or an idea of what Holy Spirit wants to say. When writing these (this is probably the second or third) I ask Holy Spirit to give me words that would have been spoken live. They may not be the same as when you are before a group with a special anointing but they do convey what the Spirit is saying.

As the Northern and Southern tribes were divided from one nation (Israel) there was (at least in this vision) one good King and one evil. While not Kings, I believe Ahab represents both the deep and dark states that are trying to destroy this nation as well as emasculate our duly elected President.

As the enemy tried to stop the rebuilding of Jerusalem, the One World Government directing both the deep and dark states are trying to stop and reverse the progress that has been made over the last two years with the historic election of DJT. In rebuilding Jerusalem the enemy successfully delayed restoration for 16 years and the Socialist want to delay and resist further progress in the USA until 2020. As foot soldiers, the Democrats are going to launch every form of investigation into the Trump family, their businesses and those in the inner circle. The next two years are going to be hell unless the “church” – Ekklesia wakes up and takes her rightful place in ruling and reigning as the Kingdom’s legislative body on earth.

In visions or prophetic words, the Lord never refers to the President as His “anointed” – simply as His “appointed”. In praying for DJT the Lord has told me that His desire for the President is an intimate relationship and that he becomes a man (on his knees) of prayer. He wants “the Donald” to become more like his middle name “John” - thus realizing the gifting he has had since childhood are those that have been given by Holy Spirit.

As has been the case for many years, in visions the Lord often shares personal matters (not intimate and certainly nothing hurtful or embarrassing) about an individual, family or nation. He told me it helps to understand, have insight, compassion and enables me to be a better and more effective intercessor. Of his two sisters and two brothers the Lord showed me Fred, Jr. – the reason, his life and death had a great impact on Donald; the same with his dad (Fred) and his beloved mom (Mary Anne). Of all the Tribes, DJT is Zebulun (receiving mercy for completion, Torah given on Sinai and certainly generous – the month of giving). I will not address what I was shown about Melania or Barron until, or if ever, released to do so.

Being closely aligned with Issachar, the President understands times and seasons with the ability to make quick decisions. Those have served him well in the real estate and construction markets but will eventually fail in his role as leader of the free world. However, with an intimate and personal relationship with the Lord – these gifts will be freshly anointed and taken to a higher level enabling him (as the beloved Apostle John) to hear the Lord and follow His guidance.

What he needs at this point – is loyalty; people he can genuinely trust. As we say in the Marine Corps – someone who has his “6” (back for civilians). His early days at the New York Military Academy helped form his love of the military and this nation. As President, what he DESPERATELY needs at this point is a Prophetic Seer (however many the Lord appoints) to speak prophetic words and provide selfless insight into the many decisions that he faces each and every day. The individual(s) will be discrete, hold complete confidentiality and spend hours of intercession receiving guidance from Holy Spirit. Many of the Kings in the OT had such prophetic advisors; Pharaoh had Joseph, Saul had Samuel, David had Nathan, Darius and Cyrus had Daniel, etc.

I could continue but feel compelled to stop at this point. As a family, we pray for this President, his family and our nation on a daily basis. God has “appointed” DJT and we (the church) need his strong and unwavering support and eventual brotherhood in the Kingdom of our Lord – Jesus Christ.
