Vision and Prophetic Word: Boils of Pedophilia

Boils (Carbuncle):

A carbuncle is a red, swollen, and painful cluster of boils that are connected to each other under the skin. A boil (or furuncle) is an infection of a hair follicle that has a small collection of pus (called an abscess) under the skin. Carbuncles can develop in other areas of the body such as the buttocks, thighs, groin, and armpits.

Most carbuncles are caused by *Staphylococcus aureus* bacteria, which inhabit the skin surface, throat, and nasal passages. These bacteria can cause infection by entering the skin through a hair follicle, small scrape, or puncture, although sometimes there is no obvious point of entry. Filled with pus -- a mixture of old and white blood cells, bacteria, and dead skin cells -- carbuncles must drain before they're able to heal. Carbuncles are more likely than boils to leave scars.

An active boil or carbuncle is contagious: the infection can spread to other parts of the person's body or to other people through skin-to-skin contact or the sharing of personal items. Carbuncles require medical treatment to prevent or manage complications, promote healing, and minimize scarring.

Pedophilia:

Medical definition: sexual perversion in which children are the preferred sexual objects specifically. Often described as a psychiatric disorder in which an adult has sexual fantasies about or engages in sexual acts with a prepubescent (ages 9 to 14) child. The International Classification of Diseases defines

it as a “sustained, focused, and intense pattern of sexual arousal – as manifested by persistent sexual thoughts, urges or behaviors – involving pre-pubertal children.”

Pedophile:

Defined as a person aged 16 years or older who is sexually attracted to or engages in sexual acts with prepubescent children.

The vast majority of pedophiles are male, but the amount of female pedophiles is still much harder to evaluate given that their deviancy can find outlets that are far more discrete. Pedophiles can be found in all social classes and economic strata.

Some are only attracted to boys (boy-lovers), others only to girls, others to both with or without some degree of preference for one. Some pedophiles have specific preferences for children of a certain age span, or possessing particular physical traits (hair, face, constitution, voice, etc), while others are less specific if at all.

There are exclusive pedophiles (only attracted to children), preferential pedophiles (who prefer children but are also attracted to adults or teenagers) and non preferential pedophiles (who prefer adults or teenagers but are also attracted to children). Some pedophiles live in harmony with their deviancy, which is to them an integral part of their personality. To others, it’s a disturbing element, a source of anguish, guilt and shame.

The Vision:

This is part of a five hour vision the Lord gave me on July 19, 2019 that went into the early AM. The Lord showed me a very large infected looking boil that nearly covered the upper leg of a person. He reminded me of the story of King Hezekiah [2 Kings 20: 1] when he was told by the prophet he was going to die. After weeping and reminding the Lord that he had been faithful with wholehearted devotion, the Lord saw the tears, heard his words and in His grace miraculously allowed the healing of the King; “⁷ Then Isaiah said, “Prepare a poultice of figs.” They did so and applied it to the boil, and he recovered.”

Looking at the grotesque boil I saw a sword swiftly come down and slice off the top layer of the infected boil(s) and a repulsive blend of blood, pus and other fluids began to flow from the severed area like lava flowing from an erupting volcano. The sight and stench made me so nauseous that I wanted to vomit. [All senses in the spirit are actually more defined or heightened. See Ezekiel 3: 3 and Revelation 10: 10

of those *in spirit* eating a scroll]. The conflagration of fluids continued to pour and drain from the wound for a long period. This part of the vision ended and He began to speak.

The Prophetic Word:

The Lord then spoke [nonverbal which I became accustomed to after so many years], “Are you repulsed my son? And did the disgusting odor make you sick? Rather than mirth and the joyful singing of my young ones coming before me as sweet savory incense the odious stench of those that abuse my children has sickened me. Their laughter has been replaced with cries of pain and suffering. Have I not said, ‘...there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open’ [Luke 8: 17] ‘...have I not said that I am a consuming fire’ [Hebrews 12: 29] and that ‘it is a fearful thing to fall into the hands of the living God’ [Deuteronomy 9: 3] Listen carefully my son, My wrath is kindled against these predators and I will come in a consuming fire in My anger and rage, My judgment against those that have harmed, continue to harm, exploited for mammon and taken the life of so many of my young ones through selfish pleasures and delight will be consumed by fire and slain by my Sword of Justice. My verdict has been rendered and my execution of Justice for the voices and blood that cries out to Me day and night will be without mercy and fierce as a lion that pounces on its prey.”

The Second Part of the Vision:

From a distance the Lord showed me a hilly wooded section of the country with about twenty hunting blinds up in trees and about twelve at or near ground level. I had no idea why He was showing me these until I was able to see inside. In each a different child was chained to the wall or solid bedpost and was naked. As I watched, over many hours, men dressed in camouflage clothing would approach and enter the blinds and begin abusing and performing sexual acts on very young children. [I did not see the abuse but knew in my spirit what was being done] With different hair colors (blond, brown, black, close cut afro, etc.) and nationalities the children looked to be anywhere from 7 years to 10 years of age. The other units, that were a few solid steps off the ground, were visited by both men and women. The ages of the “visitors” varied but most seemed to be between forty and sixty years old. [Although they were only wearing camouflaged clothing and not headgear, I was not allowed to distinguish their faces]

The Lord then showed me large “hunting camps/resorts” where the rooms were modeled differently with a child secured in each (binding rope, plastic restraints of some sort and chains). The same type of access and abuse was taking place as I was shown earlier in the hunting blinds. From there the Lord took me higher in the atmosphere where the same activities were taking place in regular homes, palatial mansions, castles and various military and government buildings. Afterwards, I was shown private yachts and jets where the same crimes against children were taking place. Lastly, at this time I am not allowed to share the blood sacrifices that were shown. However, in a few of the places the Lord did show me I could see that a few of these small children were no longer alive – still chained to the floor, wall or bed. This second part of this element of the vision finally ended.

Repulsive as it was to view the blood and yellowish pus oozing from the sliced boil(s), this was much more revolting and abhorrent. I remained nauseated and drained for several days and for many nights the images kept flashing through my mind.

Explanation:

Without asking, the Lord gave me an understanding of what I was shown. There are places throughout the United States where the pedophilia organization(s) operates. While many of the “products” [they do not use names only numbers to dehumanize them] are drugged and purposely caused to be addicted, the predators pay hefty prices to have sex with these prepubescent children. At an additional charge (substantial) some of the highest VIP’s [if there is such a thing among animals] are allowed to film their activities and if a child should die [as I felt in the vision] then the “guest” has to pay for the future potential service this “product” would have produced. [I did not ask prices and did not want to know]. Nevertheless, the Lord told me that sex trafficking, pedophilia and these places are extremely lucrative for the Dark State. If impregnated (which in some cases is desirable), the babies are then sold to others in the Dark State to be offered as sacrifices.

When the Lord comes with vengeance and exposes these demonic driven predators, He said the deepness and span of this vile evil when exposed with rock our citizenry and will extend into other nations as well. The “guests” have included, and continue to serve the highest ranking officials in both the public and private sectors. They include former President’s, Cabinet members, past and present ranking and regular members of the House and Senate (state and federal levels), the highest echelons of the military, law enforcement (Police Chiefs, Sheriff, etc.), judicial branch from the Supreme Court to the local community court systems, every level of business from the smallest sole owner to CEO’s of the largest companies in the country (world), known sports figures, Hollywood celebrities, network news anchors and reporters, Clergy and the list goes on and on. It is the hidden underbelly of America at its worst – right there with the killing of the unborn and (now) those given no medical care for days after their birth.

In that regard, I asked the Lord the difference. He said since Roe vs. Wade was the “current” law therefore the killing of innocents within the womb and those afterward (infanticide) would have to be fought in the Judicial System – the Supreme Court. On the other hand, the pedophilia rings and pedophiles would need the Hand of Justice (moved by the prayers of the true Ecclesia) of Almighty God. He has heard the prayers of the true followers of Christ and the innocent cries of the suffering and blood of too many of his “precious children” to allow this evil to continue. His Sword of Justice is coming as a roaring lion right in the mist of the Storm of Justice released in December 2018.
